

**Expedition Friday!  
Friday, August 18, 2017  
Cost: \$5**

**Must be returned to school by Tuesday, August 15, 2017**

***Tucson Museum of Art***

Our next expedition of the year is just around the corner. We will be heading to the Tucson Museum of Art. The docent led tour will take all the students through the museum. There will also be a special art making activity for students to take part and most efficient modes of transportation available: trains, planes, and automobiles. <https://tucsonmuseumofart.org/>

**We will be having lunch at McDonalds in Rita Ranch after the tour. Each student will be allowed to spend up to \$3.00 for lunch. If they would like to spend more, they will need to bring their own money.**

Just a reminder that students must be caught up in all four subjects and have a 70% in all four subjects by Friday, August 11<sup>th</sup>, at 3 p.m. Students who are not eligible to participate in the field trip will be required to stay at school to get caught up. We will notify students and parents prior to the field trip if they are not eligible.

We welcome parent chaperones. Please indicate below if you would like to join us on this field trip.

We will be leaving school promptly at 9:30 a.m. and will return to school by 2:30 p.m.
